Thank you for your interest in the Second Chance League (SCL).

The backbone of our program is caring and experienced foster homes and new adoptive owners.

SCL is an all-volunteer, 501(c)(3) tax-exempt, non-profit group without subsidized funding. Becoming a foster home is a great way to test-drive a dog in your kennel and provide valuable information to prospective owners. Foster homes offer temporary rehabilitation or training situations until permanent adoptive homes can be found. Foster trainers have the first chance to adopt any SCL dog in their care. Foster trainers are required to provide monthly reports on every foster dog in their care. There is no fee to foster, the adoption fee is \$100 (payable to SCL) and helps offset program costs.

Please help us match you with an appropriate dog by answering the following questions:
