GLYNN COUNTY ANIMAL SERVICES

Thank
You!

Mobile Adoption Unit

Glynn County Animal Services recently purchased a beautiful 2002 model, 24 foot trailer for use as a Mobile Adoption Unit. The trailer will also serve as a rescue unit in the event of an evacuation. GCAS was able to acquire this trailer with upgrades such as heating and air, stainless steel trim, lighting (interior and exterior), flooring and numerous other amenities. We are working with several corporate sponsors in an effort to outfit the unit with the "big ticket" items. Pet Exchange, Dan Vaden Chevrolet, Golden Isles Broadcasting, Quantum Communications, Insight Graphics and Home Depot are already on board donating various essential items. We still need an awning for one side and collapsible pet playpens to hold the animals while on site.

How can you help?

At this time we are working on outfitting the interior of the unit with the crates that will house the animals during transport. For a \$100 donation a crate will be purchased and a small plaque placed on the front. Crates can be placed in honor of, or memory of, a loved one—four-legged or two! Our goal is to have the unit ready to roll by the first of the year. If you can help at this time please make checks payable to "Glynn County Animal Services Advisory Board" and send to:
