FEE SCHEDULE

Application Fee

There is a non-refundable \$10 application fee required before any application is processed to cover the costs of processing your application.

Adoption Fees

Adoption fees are based on a cat's age and whether the cat has Siamese or other purebred markings. Any cat with special needs (health or psychological) will be charged as if age 11 and up. Adopters age 60 and over receive a 10% discount on all fees and deposits.

Age	Purebred Marked		Non-purebred Marked	
	1 st Cat	Each addl.	1 st Cat	Each addl.
Kitten to 5 years	\$150	\$125	\$100	\$75
6 to 10 years	\$125	\$100	\$75	\$50
11 and up	\$100	\$75	\$50	\$25

Spay/Neuter Deposit

Any cat adopted that has not yet been altered requires a deposit of \$50 for the first cat and \$25 each additional. The entire deposit is only refundable if all cats covered by the deposit have been spayed or neutered.

Owner Surrender Fee

\$50 per cat to defray expenses. We strongly encourage Owner Assisted Adoption over surrender.

Owner Assisted Adoption

The cat remains in his home with owner serving as a "foster" while MISR assists in searching for a suitable adoptive home.

Basic: \$50 for first cat, \$25 each additional. Includes picture and biography listing on website. All inquires referred to owner for any further proceedings.

Expanded: \$100 for first cat, \$30 each additional. Listing as per Basic. MISR will require adoption application of all potential adopters and perform all screening, reference checks, interviews, home checks, and provide documentation to owner, along with recommendation to approve or deny an application.

Total of all fees is considered a "minimum donation" and may be tax deductible as a charitable contribution. Any donation above the minimum will help rescue more cats.

This Schedule is meant to provide the fees in an easy to read format. Please see the adoption application and our fact sheet for rules that may further regulate or limit any rights or responsibilities assumed by either Michigan Siamese Rescue and any owners /adopters /applicants.
