

Consent Form for Adopters

The Ssafe Haven Society for Reptiles and Amphibians is a not-for-profit organization that provides rescue, shelter, and adoption services for reptiles and amphibians in the province of Nova Scotia, as well as offers support and training to reptile owners as required.

Exceptions:

- We cannot adopt prohibited/illegal reptiles and amphibians, such as crocodylians, venomous snakes, etc.
- We cannot adopt or provide shelter to reptiles or amphibians that are ill or suspected of having a disease until a qualified Veterinarian examines the animal for diagnosis and appropriate treatment. The current owner must incur all costs associated with the Veterinary services.
- In cases where it is apparent that the reptile or amphibian is beyond recovery or is in obvious pain and suffering, humane euthanasia may be the only option.

Requirements:

- Appropriate housing, supplements and supplies must accompany the reptile or amphibian whenever possible. A minimum fee of \$20.00 will be charged to purchase the required supplies if these items cannot be provided by the current owner. In the case of larger reptiles, such as Iguanas or large snakes, this fee may increase accordingly.

- If you are unable to provide us with the basic supplies required to care for your reptile or amphibian, nor provide us with the fee to purchase the necessary supplies, we will continue to search for a suitable home for your pet. However, your pet may be required to stay with you until an appropriate home is found.

If the Ssafe Haven Society for Reptiles and Amphibians agrees to advertise to find your reptile and/or amphibian an appropriate adoptive home, please conduct the adoption only with the Ssafe Haven Society for Reptiles and Amphibians and do not seek alternate assistance or advertising elsewhere. It would be counterproductive and disappointing to the new potential owner to advance through an adoption process to its completion only to discover that the animal has been adopted privately into another home.

The Ssafe Haven Society for Reptiles and Amphibians agrees to use every means available to find a good home for the reptile and/or amphibian in need, including designing an adoption flyer and advertising with our extensive e-mail distribution list and our website at <http://www.petfinder.com/shelters/NS17.html>. We also provide hands-on training and care information as required and upon request.
