

Coastal Jack Russell Rescue

Adoption Application

Please remember that our intent is not to be intrusive. We simply want to find the best match for you and our terriers. If you have questions, please ask. We are happy to help! The application is a must for adoption. Although this dog has received excellent care while here, it is the nature of rescue work that not everything about the history or status of the animal can be known. I recognize that handling this previously stray/rescue animal(s) may place me and/or others with me at risk for being scratched or bitten. I understand the risks inherent in handling any previously stray/rescue. I agree to indemnify and hold harmless the Coastal Jack Russell Rescue, its officers, directors, employees, agents, and representatives from all manner of actions and causes of actions, suits, debts, dues, accounts, bonds, covenants, contracts, agreements, judgments, claims and demands whatsoever arising out of my possession and placement of this animal. I also understand that the Coastal Jack Russell Rescue will not be responsible for any medical care (or cost thereof) required after placement of the animal. In addition, the Coastal Jack Russell Rescue cannot be held responsible for the conduct, behavior, or disposition of this dog after its placement. **By completing the application below, you agree to all terms and conditions listed above.**
