Bedford Humane Society Inc. seeks fencing materials donations

12/22/08 - Times are tough and all of us are struggling. Shelters, Humane Societies and SPCA's across the country are noticing an increase in pets given up by their owners "because we can't afford to take care of them properly". Some kindhearted people find dogs and cats running free and take them in. Many of these folks have just enough to scrape by and the added pet makes a dent in their budget, but they are willing to sacrifice. The Bedford Humane Society has received requests from some of these local residents for free fencing materials to use for the dogs they have found.

If you have some fencing you are not using, anything from the plastic coated to cattle fencing – The Bedford Humane Society will put it to good use. The Society also needs cat and dog crates for transporting, spay/neutering and training animals. So check the garage, shed or lean-to and get rid of some of that clutter. The Bedford Humane Society is a 501c3 non profit organization. Donations are tax deductible. Please call 540 586 6100 and leave a message to arrange pickup.
